

Hoopology University is proud to present its proud to present its 2017 basketball opportunities in Prior Lake.

Hoopology University has been providing basketball instruction to athletes throughout Minnesota for the past 17 years. We have worked with athletes who are just starting out the game all the way up to Division 1 college athletes. We will provide you with the fundamentals necessary to improve your game, as well as provide you with the tools to help yourself.

We set ourselves apart from other basketball training services in several ways. We provide small group instruction with a low athlete to coach ratio for our mini-camps. Our coaching staff is comprised of teachers that coach. We believe the best way to be an effective coach is to be able to teach the game of basketball. This approach has allowed Hoopology University to grow in the past several years to work with over 500 athletes each summer. *Any changes in locations and times will be posted on our website: [www.hoopologyu.com](http://www.hoopologyu.com).*
